

Release Notes

Desktop Version: 8.2518.26

GxPrices : 1 change(s)

Bug Fix : 1 change(s)

GXManage: Pricelist Management - "Contracts Choose" screen closes when user tries searching contract name

Dev Ref: 44541

Related Issue: 966201

Addressed an issue where the filter functionality on the medical aid contract screens were not functioning as expected. Filters now apply accurately and consistently across all medical aid contract views.
