#### **Clinical Events: EMR - Additional consultation codes to be added as buttons in EMR**

Dev Ref: 46483

Related Issue: No Issue

The following codes have been enabled to be added as buttons on the EMR workflow event:

1204,1205,1206,1207,1208, 0147, 0174 and 0175.

The user will be able to add these codes from the Workflow Event Management screen.
